2019 PROGRESS REPORT

from

COUNCILMEMBER BRIANNE K. NADEAU

DISTRICT OF COLUMBIA • WARD 1

Dear Friends,

It is my honor to serve as your representative for Ward 1 on the DC Council. Because I am accountable to you, I am sending you this newsletter to update you on the Council's progress.

Over the past year, we have taken steps to address our community's priorities. From making critical investments in our schools, to expanding affordable housing opportunities, to securing investments aimed at reducing violence and crime in Ward 1 and across the District, I have worked diligently to address issues important to Ward 1 residents.

While we have made progress, there's more work to do. We must continue to improve public safety, expand affordable housing and reduce homelessness, and ensure our schools, teachers, and parents have the resources they need to provide students with a great education.

I work for you. If you need assistance or just want to share your thoughts on an issue, please write, call, or email me, or attend one of the many "Brianne on Your Block" events I host with my staff across the Ward. I also encourage you to sign up for regular email updates from my office. You can sign up by visiting my website at www.BrianneKNadeau.com.

I look forward to hearing from you soon.

Sincerely,

Brianne K. Nadeau

BRIANNE K. NADEAU
Ward 1 Councilmember

COUNCILMEMBER BRIANNE K. NADEAU
DC COUNCIL ANNUAL PROGRESS REPORT

Investing in Students

With a growing population and aging infrastructure, improving Ward 1 schools continues to be a priority for Councilmember Nadeau. In addition to working with the Mayor and Council to expand funding for DCPS by nearly 2.5%, Councilmember Nadeau secured more than $5 million for student mental health services and child development facilities for infants and toddlers. She also worked to raise critical funds to modernize Ward 1 schools, including Bancroft, Bruce-Monroe, Garrison, Marie Reed and Tubman Elementary Schools, and Banneker High School, and secured a new location for Shaw Middle School.

Addressing Affordable Housing & Homelessness

High housing costs continue to affect too many families in our community and across the District. Since taking office, Councilmember Nadeau has worked to create nearly 1,000 affordable housing units. For the coming year, she secured new units to end chronic homelessness for 615 individuals and more than $20 million for improvements and urgent repairs to public housing in Ward 1. She also worked with the Council to expand funding for the Emergency Rental Assistance Program to help protect rental residents who are struggling with the threat of eviction. And to help individuals facing homelessness, Councilmember Nadeau created a new homelessness street outreach program to connect residents with services and housing options.

Councilmember Nadeau meets with constituents to discuss public safety.

Councilmember Nadeau speaks at the reopening of Garrison Elementary after its renovation was completed.

You can read more about Councilmember Nadeau's work on your behalf at www.BrianneKNadeau.com.

Improving Public Safety

As a mom raising her daughter in Ward 1, Councilmember Nadeau understands how important public safety is to every resident and family in our community. She also knows that effective leadership requires more than just reacting to acts of violence as they happen. Instead, real leadership requires taking concrete, proactive action to reduce crime and violence in our communities. And as Councilmember, working with MPD, the Mayor, and her fellow Councilmembers to continue improving public safety is her top priority. Here are the steps Councilmember Nadeau and the Council are taking:

- **Tripling funding for violence prevention and intervention programs,** raising the District's investment to $10 million.
- **Growing the Pathways for Young Adults Program by 33%**, which helps out-of-school and out-of-work residents aged 18-24 get off the streets, gain critical job skills, and get connected with local job opportunities.
- **Passing Councilmember Nadeau's Extreme Risk Civil Protection Act,** which reduces gun violence by restricting access to guns by those who are known to be a risk to themselves or others.
- **Increasing MPD's budget by $6 million** to support police serving our communities.
- **Doubling Ward 1's funding for violence prevention to about $1.4 million** with a focus on the areas experiencing the most violence.
- **Calling for an end to MPD's use of stop-and-frisk,** which statistics show targets residents of color while reducing trust and having a detrimental impact on public safety.
- **Overseeing the implementation of the NEAR Act,** a criminal justice reform bill that addresses community violence with a public health approach.

More work remains to be done, and Councilmember Nadeau is fully committed to doing everything she can as a legislator to help keep Ward 1's communities and families safe.
