### *General Reporting*

**1. The total number of doses of a COVID-19 vaccine administered with the following details included: 4,998 doses administered in total**

**a. The number of sheltered individuals who are fully vaccinated and that have received the first dose of a two dose vaccine;**

1,688 sheltered individuals received at least one dose of Moderna. 1,446 sheltered individuals are fully vaccinated, having received either their second dose of Moderna, or the single Johnson & Johnson shot. 222 sheltered individuals have received only their first dose of Moderna at a DHS event.

Please note that the numbers provided in 1(a) and (b) include only individuals who were vaccinated at a Unity Health Care vaccine clinic or through Unity Health Care's mobile clinic and who identified as experiencing homelessness. Individuals who were vaccinated through other avenues, such as DC Health vaccine clinics, are not included in this data. We are now including doses administered at non-DHS affiliated Unity Health Care Clinics as well, since January 2021 (these numbers were previously unreported).

**b. The number of unsheltered individuals who are fully vaccinated and that have received the first dose of a two-dose vaccine;**

367 unsheltered individuals received at least one dose of Moderna. 361 unsheltered individuals are fully vaccinated, having received either their second dose of Moderna, or the single Johnson & Johnson shot. 6 unsheltered individuals have received only their first dose of Moderna at a Unity Health Care clinic.

**c. The number of people in Short Term Family Housing who are fully vaccinated and that have received the first dose of a two-dose vaccine; and**

As explained in the report on May 28, 2021, this data is no longer tracked by DHS and cannot be further updated.

**d. The number of staff that are fully vaccinated and have received the first dose of a two-dose vaccine:**

871 Continuum of Care staff members have received at least one shot. 824 CoC staff members are fully vaccinated, having received either their second dose of Moderna, or the single Johnson & Johnson shot. 47 CoC staff members have received only their first dose of Moderna at a Unity Health Care Clinic.

As explained above, please note that the numbers provided in 1(d) include only individuals who were vaccinated at a DHS/Unity Health Care vaccine clinic or through Unity Health Care’s mobile clinic. Further, DHS is not tracking vaccinations across the entire agency - only those staff and contractors that work within the CoC.

- 2. A daily census for the two-week reporting period of individuals in the following:**

- a. Draft;**
- b. Application Submitted;**
- c. Application Pending Match (from tenant or housing provider);**
- d. Application Under Review;**
- e. Funding Decision Made; and**

<b>HP</b>	10,883	16,150	3,815	3,024	8,397		

Notes:

- The counts in the table above are not mutually exclusive. An application counted in the App Submitted column is also counted in one of the following columns: App Pending Match, App Under Review, or Funding Decision Made
- The Draft column includes all applications in the Draft stage
- The App Submitted column includes all application stages except Draft, Application Cancelled, and Application Rejected
- The App Pending Match column includes applications in the Awaiting Application Match stage
- The App Under Review column includes applications in Application Review and QA/QC Review stages

- The Funding Decision Made column includes applications in Funding Decision and Payment stages
- \*The Award Paid includes rent and utilities funds. The rent includes funds paid, sent for payment, and pending payment. The utilities include only the actual amounts paid by the utility. This is a change in the reporting since the last report.
- \*\* No applications have been denied at this stage. The Award Denied is the number of applications that have a rejected Funding Decision. DHS is exploring ways to approve applications that currently fall under this category.

**6. The total number of applications, identified as being initiated by tenants or housing providers, broken down by Ward.**

Applications by Ward									
	1	2	3	4	5	6	7	8	Unknown
<b>Tenant</b>	1,832	752	613	1,900	2,621	2,334	4,226	6,193	632
<b>HP</b>	1,382	658	582	1,392	1,965	1,715	3,147	4,316	987

Notes:

- This table includes all applications submitted life to date for applications in all stages except Draft and Application Cancelled
- The ward is based on the tenant residence
- Applications where the applicant skipped the USPS validation are counted in the Unknown category

**7. Total amount of funds requested broken down as follows:**

- Use of the funds (e.g. back rent, future rent, other costs, and utilities); and**
- Recipient of funds (i.e. tenant or housing provider).**

We only collect information for Rent and Utilities, as reflected below.

Requested Funds by Type		
	Rent	Utilities
<b>Tenant</b>	\$99,108,412	\$12,643,931
<b>HP</b>	\$119,737,307	N/A

Note: Table above includes requested funds for applications in all stages except Draft and Application Cancelled. This will include requested funds associated with applications that have been paid.

**8. Total amount of funds awarded broken down as follows:**

- a. Use of the funds (e.g. back rent, future rent, other costs, and utilities); and**
- b. Recipient of funds (i.e. tenant or housing provider).**

<b>Awarded Funds by Type</b>		
	<b>Rent</b>	<b>Utilities</b>
<b>Tenant</b>	\$9,673,272	\$1,689,104

<b>Total Households</b>	9,235	1,825

Notes:

- Rent funds shown in table above includes rent funds paid, sent for payment, and pending payment.
- Given that the utilities are reviewing and potentially adjusting utility payments prior to payment, the Utilities metric above has changed since last report to only include the amount actually paid by the utility. The previously reported metric included awarded utilities not yet confirmed by the utility providers.
- For households with utility-only assistance, that could include more than one utility paid.

**9. The average amount of funds awarded for each use (e.g. back rent, future rent, other costs, and utilities).**

<b>Average Awarded Funds by Type</b>
